

Product Feature

High Conversion Efficiency

High Voltage Tolerance

High Wind And Snow Resistance

The module is designed with high quality materials and has a maximum power of 640W p.p.

High Wind And Snow Resistance

With a special design, the module can withstand high wind and snow loads.

With excellent efficiency, the module can

ISO 9001:2015 / GB/T 19001-2016

ISO 14001:2015 / GB/T 24001-2016

GB SA 18001-2007 / GB/T 28001-2011
